

ANU Library branch tours & info sessions

Semester 2, 2018

Discover the spaces, services and collections available at ANU Library to help you succeed in your university studies.

ANU Library tours help you navigate the physical and reserve collections, and find computers, printers, group study rooms and other facilities within the branch.

ANU Library information sessions introduce you to the services available in your specialised branch, and includes a virtual tour of the Library catalogue and electronic resources.

Chifley discovery tours are a fun and interactive self-guided discovery of Chifley Library that you can complete with your friends using mobile devices. So, don't forget to bring your phone, iPad, or tablet!
